WAVEFRONT ENERGY & ENVIRONMENTAL SERVICES INC.

POWERWAVE™ WELL STIMULATIONS COMPLETED IN COLOMBIA, SOUTH AMERICA

EDMONTON, Alta Apr 17, 2008/ Wavefront Energy and Environmental Services Inc. ("Wavefront"), a leader in technology development and implementation for improved oil recovery and optimized groundwater remediation is pleased to announce that two Powerwave royalty bearing well stimulations have been completed in Colombia by Wavefront's licensed provider. A coil tubing deployed Powerwave tool was utilized in the stimulation of two horizontal wells operated by a major oil producer headquartered in Brazil. Wavefront's licensed provider reports that both stimulations were operational successes.

Wavefront President and CEO Brett Davidson stated, "This marks yet another significant milestone for Wavefront as the international oil community has realized the benefits of Powerwave for well stimulations, as well as for flooding approaches to maximize reservoir recovery factor. We anticipate results to mimic those seen in past well stimulations leading to further uptake by the client in a number of on-going waterfloods."

About Wavefront Energy and Environmental Services Inc.

Wavefront is a technology-based company with a focused, strategic plan to leverage the value of our intellectual property in order to maximize oil production recovery operations, as well as provide additional solutions for environmental applications.

Cautionary Disclaimer – Forward Looking Statements

Certain statements contained herein regarding Wavefront and its operations constitute "forward-looking statements" within the meaning of Canadian securities laws and the United States Private Securities Litigation Reform Act of 1995. All statements that are not historical facts, including without limitation statements regarding future estimates, plans, objectives, assumptions or expectations or future performance, are "forward-looking statements". In some cases, forward-looking statements can be identified by terminology such as "may", "will", "should", "expect", "plan", "anticipate", "believe", "estimate", "predict", "potential", "continue" or the negative of these terms or other comparable terminology. We caution that such "forward-looking statements" involve known and unknown risks and uncertainties that could cause actual results and future events to differ materially from those anticipated in such statements. Such factors include fluctuations in the acceptance rates of Wavefront's Powerwave and Primawave Processes, demand for products and services, fluctuations in the market for oil and gas related products and services, the ability of Wavefront to attract and maintain key personnel, technology changes, global political and economic conditions, and other factors that were described in further detail in Wavefront's continuous disclosure filings, available on SEDAR at www.sedar.com. Wavefront expressly disclaims any obligation to up-date any "forward-looking statements", other than as required by law.
