WAVEFRONT TECHNOLOGY SOLUTIONS INC.

WAVEFRONT NAMED ONE OF TSX VENTURE EXCHANGE'S TOP 50 COMPANIES

EDMONTON, Alta February 5, 2010/ Wavefront Technology Solutions Inc. ("Wavefront"), a world leader in providing innovative solutions for increasing oil field production and enhancing the treatment of contaminated groundwater, has been named to the TSX Venture 50, a ranking of strong performers listed on TSX Venture Exchange. The list is comprised of 10 emerging companies in five industry sectors that have been identified as leaders in Canada's public venture market.

"All of us at Wavefront are thrilled to be recognized as one of this year's TSX Venture 50," said Wavefront President and CEO Brett Davidson. "This award reflects Wavefront's commitment to sustained growth as well as the tremendous success of Powerwave and Primawave, which have consistently generated positive results throughout the past calendar year. We're excited about the future and look forward to the continued success of our core technologies."

The 2010 TSX Venture 50 were selected based on four equally weighted criteria that include return on investment, trading, analyst coverage and market capitalization growth in Cleantech, Diversified Industries, Mining, Oil & Gas and Technology and Life Sciences sectors.

"We are pleased to celebrate the 2010 TSX Venture 50," said John McCoach, President, TSX Venture Exchange. "These outstanding companies are proven leaders in their respective sectors and we are proud to have them listed on TSX Venture Exchange. We wish them all continued success."

Cautionary Disclaimer – Forward Looking Statements

Certain statements contained herein regarding Wavefront and its operations constitute "forward-looking statements" within the meaning of Canadian securities laws and the United States Private Securities Litigation Reform Act of 1995. All statements that are not historical facts, including without limitation statements regarding future estimates, plans, objectives, assumptions or expectations or future performance, are "forward-looking statements". In some cases, forward-looking statements can be identified by terminology such as "may", "will", "should", "expect", "plan", "anticipate", "believe", "estimate", "predict", "potential", "continue" or the negative of these terms or other comparable terminology. We caution that such "forward-looking statements" involve known and unknown risks and uncertainties that could cause actual results and future events to differ materially from those anticipated in such statements. Such factors include fluctuations in the acceptance rates of Wavefront's Powerwave and Primawave Processes, demand for products and services, fluctuations in the market for oil and gas related products and services, the ability of Wavefront to attract and maintain key personnel, technology changes, global political and economic conditions, and other factors that were described in further detail in Wavefront's continuous disclosure filings, available on SEDAR at www.sedar.com. Wavefront expressly disclaims any obligation to up-date any "forward-looking statements", other than as required by law.
