Wavefront Preparing for International Markets Positioning Wavefront to Capitalize on New Growth Opportunities

EDMONTON, Alta., May 28, 2010/ Wavefront Technology Solutions Inc. (“Wavefront”, TSX-V: WEE), a world leader in providing innovative solutions for increasing oil field production and enhancing the treatment of contaminated groundwater, is today announcing that Roger Kazanowski is stepping down as a board member of Wavefront effective immediately. Wavefront will announce the appointment of new board members upon conclusion of an external search and selection process.

"Roger has brought valuable business and operational experience to Wavefront and we look forward to his advice and insights as an advisor to Wavefront President and CEO, Brett Davidson," said Wavefront Board Chairman Steve Percy.

Wavefront is expanding its operations in key markets around the world to leverage the growing success of Powerwave's and Primawave's positive results in Canada and the United States. By seeking Board members with broad experience Wavefront will be in a better position to capitalize on new growth opportunities.

“Wavefront’s Board is confident that this step will support achievement of the Corporation’s long term goals,” said Mr. Percy.

Cautionary Disclaimer – Forward Looking Statements

Certain statements contained herein regarding Wavefront and its operations constitute “forward-looking statements” within the meaning of Canadian securities laws and the United States Private Securities Litigation Reform Act of 1995. All statements that are not historical facts, including without limitation statements regarding future estimates, plans, objectives, assumptions or expectations or future performance, are “forward-looking statements”. In some cases, forward-looking statements can be identified by terminology such as “may”, “will”, “should”, “expect”, “plan”, “anticipate”, “believe”, “estimate”, “predict”, “potential”, “continue” or the negative of these terms or other comparable terminology. We caution that such “forward-looking statements” involve known and unknown risks and uncertainties that could cause actual results and future events to differ materially from those anticipated in such statements. Such factors include fluctuations in the acceptance rates of Wavefront’s Powerwave and Primawave Processes, demand for products and services, fluctuations in the market for oil and gas related products and services, the ability of Wavefront to attract and maintain key personnel, technology changes, global political and economic conditions, and other factors that were described in further detail in Wavefront’s continuous disclosure filings, available on SEDAR at www.sedar.com. Wavefront expressly disclaims any obligation to up-date any “forward-looking statements”, other than as required by law.

NEITHER TSX VENTURE EXCHANGE NOR ITS REGULATION SERVICES PROVIDER (AS THAT TERM IS DEFINED IN THE POLICIES OF THE TSX VENTURE EXCHANGE) ACCEPTS RESPONSIBILITY FOR THE ADEQUACY OR ACCURACY OF THIS RELEASE.
